Criteria for Pedigree Compilation

The following criteria have been agreed in principle by those Sales Companies represented on the European Sub-Committee of the International Cataloguing Standards Committee.

1. Pedigrees may not extend beyond the fifth dam. Only black-type performers and their links may be mentioned under the fifth dam.
2. Certain relationships to the subject animal are designated 'key positions'. Key positions comprise:
 - the subject animal him/herself
 - the first dam of the subject animal and any of her descendants

Only in the case of animals in key positions may the race names of non-black type races be carried. Only in the case of animals in key positions may a 4th-placing in a Group/Graded race be mentioned (NB Such a placing will not confer black type, except as set out on page viii of the ICSC Booklet 2010).

3. Jump Races appearing in Part IV of the ICSC Booklet may confer black type, but only if the type is italicised to differentiate it clearly from the black type given to flat race performances.
4. No reference to relationships may be made other than in the case of the Full- (i.e. 'own-') brother or sister. (That is to say, references such as 'three-parts sister to' and 'bred on the same lines as' are disallowed). Except in the case of the subject animal, the horse to whom the animal in question is related must be a black-type horse.
5. 'Excellence narrative' must be restricted to the top horse in any qualifying category. Thus, while a Sales Company may elect to use any one of the following terms – 'Champion', 'Top-rated' or 'High-weighted' – such terms as '2nd Top-rated' may not be used. Further, excellence narrative may only be applied to horses which
 - have been officially rated top within the following categories or combination of categories:
 - Continent
 - Country
 - Sex
 - Age
 - Distance range
 - have been published in the relevant section of the ICSC Booklet
6. Performances outside the home country of the catalogue in question will be indicated as such, either by citing the country(ies) by name or by use of the word 'abroad'.

This catalogue has been compiled in accordance with the criteria agreed by the International Cataloguing Standards Committee.

Notices to Purchasers

Catalogue Explanation

Within the catalogue each horse mentioned will appear in one of 6 typefaces. These are:

- HORSE** - a Group/Graded, Listed Stakes winner as approved in parts 1& 2 of the Cataloguing Standards Guide published by I.C.S.C.
- Horse** - a horse placed second or third in the races above.*
- HORSE* - a winner of a race (either flat or N.H.).
- Horse - a non-winner
- HORSE** - a winner of a National Hunt Pattern race.
- Horse** - a horse placed in a National Hunt Pattern race.

*Horses placed fourth in such races in 1989 or before remain qualified for Black Type (GR 1 fourths only in 1989).

From 1st of January 2020 only horses finishing second and third in any race will be deemed to be 'placed'.

For the dam, 2nd dam and (if shown) 3rd dam of the subject animal a précis is given of their winners, runners and foals of racing age (flat catalogues) or total foals (N.H. catalogues). For the dam of a yearling, her 3 year old and 2 year old (where applicable) are shown and for the dam of a foal, her yearling also.

For all broodmares a full breeding-record is shown.

4th and 5th dams may be included (Black Type data and links only) if space allows.

Inclusion of Form

All form shown is for performances on the flat unless otherwise specified.

For a subject animal or within the 1st dam of the pedigree, non Black-Type data may be included (Class 6 races or below excepted). When a subject animal has run under National Hunt Rules (or its equivalent) outline details of its performances must be included.

Within the 1st dam, details of win and place form under National Hunt Rules (or its equivalent) must be included, if applicable, for any lot mentioned

National Hunt Form (or its equivalent) in the 2nd dam or beyond need not appear.

Racing Careers

Purchasers should be aware that details of racing careers of Lots are not intended to be comprehensive and purchasers should therefore make their own enquiries concerning the full racing career of any particular Lot. Additionally, in view of the time elapsing between production of the catalogue and the date of sale, there may well be further racing performances and/or official rating changes not recorded in the catalogue nor announced from the rostrum.

Horses In Training pedigrees display a summary of the subject animal's performances up to the date of catalogue production. Additionally, catalogue pages for selected Horse In Training Sales also contain additional race form information in the format below:

Date	Finish Pos/ No. Runners	Race Class/Name/Type	Racecourse	Going	Distance
15/10/21	1/15	Class 5 (WFA Nov)	Redcar	GS	6f

For each horse the three most recent runs will be listed. In addition, each horse will have their three most recent wins listed (if applicable). Where a recent win already appears in recent runs it will not be duplicated under most recent wins.

Catalogue Details

Pedigrees and performances are supplied for the sales catalogues by Weatherbys Bloodstock Services as a service to Tattersalls who are acting in their capacity as agent for the Vendors. The Vendors are solely responsible for the accuracy of all information concerning their horses (see Condition 13). Neither Weatherbys Bloodstock Services nor Tattersalls accepts liability for any loss resulting from any errors or omissions contained in the catalogue details.

If a higher price is agreed on the resale, TATTERSALLS shall be entitled to keep the full amount paid.
- (b) TATTERSALLS shall be entitled to sue in respect of that liability as soon as the contract for resale is made (whether or not payment has been made or is yet due under that contract).
- (c) If the purchaser under the contract of resale defaults, the Purchaser shall remain liable for (i) the unpaid balance of the Purchase Sum together with interest due thereon pursuant to these Conditions less (ii) such sum, if any, as is paid under the contract of resale.
- 7.2** The Purchaser shall also be liable to pay TATTERSALLS any expense (including legal costs) incurred in recovering any Lot and/or its Progeny (if any) pursuant to these Conditions and any expense incurred for a reasonable period thereafter in connection with the Lot and/or its Progeny including the cost of keeping, training, transporting and/or insuring the Lot and/or its Progeny and/or engaging any veterinarian, farrier or other person for the purpose of treating the Lot and/or its Progeny.

- 8.1** Each Lot shall be at the Vendor's risk until the time the Lot is sold.
- 8.2** TATTERSALLS shall not be liable for any loss or damage caused to or by any Lot whether by disease, accident or otherwise whilst the said Lot is on any part of TATTERSALLS premises which expression includes any outside standing used by TATTERSALLS to keep the Lot ("the Premises") or whilst in transit between different parts of the Premises save that nothing in this sub-condition shall be taken as excluding or restricting or as attempting to exclude or restrict TATTERSALLS' liability for death of a person or personal injury suffered by a person resulting from negligence of TATTERSALLS its servants or agents as defined in the Unfair Contract Terms Act 1977.
- 8.3** TATTERSALLS reserves the right to examine any Lot and/or isolate any Lot and/or refuse any Lot entry to or require the removal of any Lot from the Premises where in TATTERSALLS discretion any such Lot presents or appears to present a danger to persons, property or other bloodstock. TATTERSALLS shall incur no liability in the event of TATTERSALLS exercising its rights under this sub-condition.
- 8.4** No Lot shall be removed from the Premises without a written order from TATTERSALLS. For the avoidance of doubt, removal of a Lot from TATTERSALLS premises to any outside standing by TATTERSALLS staff shall not constitute removal from the Premises for the purpose of these Conditions of Sale.

9. Vendors

- 9.1** Subject to Condition 9.2, below the Vendor shall be entitled to receive the proceeds of sale of each Lot sold (less any commission and fees due) from not before the 35th day following the date on which the Lot was sold provided that:
 - (a) TATTERSALLS shall have received the full amount of the purchase price or authorised the release of the Lot from the Vendor's premises or from the Premises, and
 - (b) TATTERSALLS shall not have been notified that a dispute has arisen in respect of or in connection with payment for the Lot and/or the proceeds of sale thereof whether under these Conditions of

Sale or otherwise howsoever, and

- (c) TATTERSALLS shall not have granted an extension of time for lodgement of a Veterinary Certificate pursuant to Condition 11. The Vendor expressly acknowledges that TATTERSALLS shall incur absolutely no liability in the event of TATTERSALLS withholding payment pursuant to this Condition. Furthermore, the Vendor expressly acknowledges that, notwithstanding the provisions of Condition 5 TATTERSALLS is entitled to authorise the release a Lot from the Vendor's premises or from the Premises without first having obtained payment therefor.
- 9.2** Where a Vendor is indebted to TATTERSALLS, the proceeds of sale of each Lot sold (less any commission and fees due) may be immediately credited against the Vendor's outstanding account with TATTERSALLS. Any credit balance remaining on the account (after the debt to TATTERSALLS has been discharged) shall then be paid by TATTERSALLS to the Vendor in accordance with this Condition.
- 9.3** Where a Vendor is indebted to Tattersalls Ireland Limited, or Vente Osarus, being related companies majority owned by Tattersalls Limited (hereinafter collectively called "TATTERSALLS GROUP"), the proceeds of sale of each Lot sold (less any commission and fees due) at any TATTERSALLS Sales may be immediately credited against the Vendor's outstanding TATTERSALLS GROUP account(s) without the necessity of any endorsement or authorisation from the Vendor. Any credit balance remaining in the Vendor's TATTERSALLS account (after the debt to TATTERSALLS GROUP has been discharged) shall then be paid by TATTERSALLS to the Vendor in accordance with this Condition. Where there is a dispute in connection with the amount owing to TATTERSALLS GROUP, TATTERSALLS are entitled to withhold the monies the subject of the dispute and shall account for the said monies when the dispute has been resolved either by agreement or, failing agreement, court proceedings.
- 9.4** In any case where TATTERSALLS shall have received the purchase monies from the Purchaser but shall have been notified of a dispute within the meaning of Condition 9.1.(b) they will account for the said monies when the said dispute shall have been resolved either by agreement or, failing agreement, by court proceedings.
- 9.5** Following the sale of the Lot neither the Vendor nor his agent shall release or permit the release of the Lot to the Purchaser or his agent unless both (1) TATTERSALLS has authorised in writing the release of the Lot by the Vendor to the Purchaser and also (2) unless the Purchaser or his agent first produces to the Vendor a copy of the written authorisation ("Pass-out") issued by TATTERSALLS authorising the release of the Lot to the Purchaser. If the Vendor releases the Lot to the Purchaser or his agent otherwise than in strict accordance with the terms of this Condition then the Vendor does so entirely at his own risk and any such release shall not constitute an authorised release of the Lot by TATTERSALLS for the purpose of Condition of Sale 9.1 (a).
- 9.6** Settlement will only be made against a written application by or on behalf of the Vendor which has been accepted by TATTERSALLS.
- 9.7** TATTERSALLS shall be under no obligation to place the proceeds of sale on deposit pending payment out by them.
- 9.8** All payments are made and/or sent at the risk of the Vendor and, if different, the payee.
- 9.9** Notwithstanding the passing of risk to the Purchaser pursuant to Condition 6, the Vendor shall retain title to the Lot until the full purchase price has been paid to TATTERSALLS. Where pursuant to this Condition TATTERSALLS have paid to the Vendor or credited their account with the net proceeds of sale of a Lot, then title of this Lot will automatically vest in TATTERSALLS and the Vendor shall, if so required by TATTERSALLS, assign to them by way of legal assignment (or by any other mode of assignment required by TATTERSALLS) all and any of his/her rights against the Purchaser arising out of the contract of sale of the Lot and to the extent that property in the Lot has been retained by the Vendor, that property. Save as provided aforesaid the Vendor shall not assign any rights or obligations under his agreement with TATTERSALLS.
- 9.10** Where the Purchaser is disputing his obligation to pay for the Lot the Vendor shall, save where TATTERSALLS have exercised their right under Condition 9.9 above, if so required by TATTERSALLS, repay to TATTERSALLS on demand any payment made by TATTERSALLS to the Vendor in respect of the net proceeds of sale of the Lot.
- 9.11** Where the Purchaser is disputing his obligation to pay for a Lot the Vendor shall, if so required by TATTERSALLS, promptly provide and use best endeavours to procure that its servants and agents promptly provide to TATTERSALLS and its advisers such full co-operation, documentation and assistance as TATTERSALLS may request in order to investigate the subject matter of the dispute.
- 9.12** Where there has been any change in the ownership of a Lot entered for sale with TATTERSALLS between the date of completion of the online sales entry form and the time at which the Lot is due to be put up for auction the Vendor shall forthwith notify TATTERSALLS of this fact in writing and of the amount of the

sale price and use his best endeavours to ensure that the new owner(s) forthwith notify TATTERSALLS whether it is his wish to proceed with the sale of the Lot at the auction for which it is entered and, if so, to submit without delay to TATTERSALLS a properly completed online sales entry form.

- 9.13** The Vendor shall indemnify TATTERSALLS in respect of any loss suffered or costs, disbursements or expenses incurred bona fide by TATTERSALLS by reason of bringing or defending any proceedings (including but not limited to any adverse costs awarded against TATTERSALLS) or otherwise howsoever which arise whether directly or indirectly from any act or omission by the Vendor in connection with the sale of a Lot whether or not such act or omission be a breach of his/her contract with TATTERSALLS.
- 9.14** The Vendor authorises Tattersalls to disclose the identity and ownership interest of the person or persons stated in the sales entry form to be the owner or owners of the Lot to any person at Tattersalls absolute discretion.

If the Purchaser of any Lot contends that it is returnable to the Vendor under Condition 10 the Lot must be returned to TATTERSALLS with a notice in writing of such contention and in the case of Lots returned to TATTERSALLS under Conditions 10.2, 10.3, 10.6, 10.8 and 10.9 with a Veterinary Certificate specifying the nature of the complaint and in the case of Lots returned to TATTERSALLS under Conditions 10.4, 10.5, and 10.7, as prescribed therein. Where certificates, notices in writing and/or any other documents are required to be received by TATTERSALLS under these Conditions of Sale, that requirement can only be satisfied by delivering them to TATTERSALLS at its Newmarket office. Lots returned to TATTERSALLS under Condition 10 must be returned to any suitable premises designated by TATTERSALLS and the requisite notices/

certificates be received by TATTERSALLS before 5.00 p.m. on the 7th day after the day on which the Lot was sold except for those returned to TATTERSALLS under Conditions 10.4, 10.5, and 10.7 which must be returned to TATTERSALLS as prescribed therein. However in the case of a return of a Lot to TATTERSALLS under Conditions 10.8 or 10.9 where TATTERSALLS receive a written notice from the Purchaser's Veterinary Surgeon stating that he is unable to give a certificate within the prescribed time on grounds connected with the health or characteristics of the Lot then TATTERSALLS may decide to extend the prescribed time for lodgement of the certificate and, for this purpose, may have regard to the opinion of any Veterinary Surgeon or Surgeons appointed by them. Failure to comply with the provisions of this Condition and Condition 10 shall be an absolute bar to any claim that the Lot is returnable and the Purchaser shall be bound to keep and pay the full amount of the purchase price for the Lot. Where the Purchaser has returned the Lot to TATTERSALLS in accordance with this Condition and Condition 10 and the Vendor does not accept that the Lot is returnable to him/her TATTERSALLS will decide the dispute under Condition 12.

12. Resolution Procedures

Any dispute arising under Conditions 10 and 11 shall be decided by TATTERSALLS in such manner and either without evidence or after hearing evidence of such nature and taken in such manner as TATTERSALLS shall think fit and TATTERSALLS' decision shall be final and binding on both Vendor and Purchaser and TATTERSALLS shall not be responsible for any loss or expense incurred by any party to such dispute. The decision shall be given not later than 21 days from the date of the return of the Lot to TATTERSALLS unless TATTERSALLS is advised by the Veterinary Surgeon or Surgeons appointed by it that a longer period or a different method of testing be necessary due to the health or characteristics of the Lot. In determining whether any Lot is returnable under Conditions 10.8 (a) and 10.9 (a) respectively TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it whose opinion shall be given after actively exercising the Lot (a Horse in Training shall be ridden where possible) to hear whether it makes a characteristic abnormal inspiratory sound and examining the Lot at rest (or as otherwise required pursuant to Condition 12) with the endoscope to determine if in their reasonable opinion the Lot has Recurrent Laryngeal Neuropathy to an extent which, at the time of examination, taking into account the presence of any characteristic abnormal inspiratory sound and the examination with the endoscope, is likely to materially affect its suitability for racing as provided for in sub-conditions 10.8 (a) and 10.9 (a). In determining whether any Lot is returnable under Conditions 10.8 (b) or 10.9 (b) TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it as to whether the Lot has been operated upon for the correction of Whistling and/or Roaring and/or Recurrent Laryngeal Neuropathy. In determining whether any Lot is returnable under Conditions 10.8 (c) or 10.9 (c) TATTERSALLS will have regard to the opinion of a panel of up to 3 veterinary surgeons appointed by it as to whether one of the conditions stated in Conditions 10.8 (c) or 10.9 (c) be present. If the said panel consists of 3 veterinary surgeons the opinion of the panel may be given by majority vote. Examination with an overground endoscope will only be undertaken where (i) the Lot is a Horse in Training and (ii) in the opinion of the said panel of veterinary surgeons its use is considered necessary to reach a decision as to the extent to which the Lot has Recurrent Laryngeal Neuropathy. A Lot shall only be returnable under Conditions 10.8 (a) or 10.9 (a) if both the characteristic abnormal inspiratory sound and Recurrent Laryngeal Neuropathy to an extent which, when combined with the presence of a characteristic abnormal inspiratory sound when the Lot is actively exercised, is likely to materially affect its suitability for racing as provided for in sub-conditions 10.8 (a) and 10.9 (a) are present. - 9.3 *Where a Vendor is indebted to Tattersalls Ireland Limited, or Vente Osarus, being related companies majority owned by Tattersalls Limited (hereinafter collectively called "TATTERSALLS GROUP"), the proceeds of sale of each Lot sold (less any commission and fees due) at any TATTERSALLS Sales may be immediately credited against the Vendor's outstanding TATTERSALLS GROUP account(s) without the necessity of any endorsement or authorisation from the Vendor. Any credit balance remaining in the Vendor's TATTERSALLS account (after the debt to TATTERSALLS GROUP has been discharged) shall then be paid by TATTERSALLS to the Vendor in accordance with this Condition. Where there is a dispute in connection with the amount owing to TATTERSALLS GROUP, TATTERSALLS are entitled to withhold the monies the subject of the dispute and shall account for the said monies when the dispute has been resolved either by agreement or, failing agreement, court proceedings.*

- 9.4 *In any case where TATTERSALLS shall have received the purchase monies from the Purchaser but shall have been notified of a dispute within the meaning of Condition 9.1.(b) they will account for the said monies when the said dispute shall have been resolved either by agreement or, failing agreement, by court proceedings.*
- 9.5 *Settlement will only be made against a written application by or on behalf of the Vendor which has been accepted by TATTERSALLS.*
- 9.6 *TATTERSALLS shall be under no obligation to place the proceeds of sale on deposit pending payment out by them.*
- 9.7 *All payments are made and/or sent at the risk of the Vendor and, if different, the payee.*
- 9.8 *Where the Purchaser is disputing his obligation to pay for the Lot the Vendor shall, if so required by TATTERSALLS, repay to TATTERSALLS on demand any payment made by TATTERSALLS to the Vendor in respect of the net proceeds of sale of the Lot.*
- 9.10 *Where the Purchaser is disputing his obligation to pay for a Lot the Vendor shall, if so required by TATTERSALLS, promptly provide and use best endeavours to procure that its servants and agents promptly provide to TATTERSALLS and its advisers such full co-operation, documentation and assistance as TATTERSALLS may request in order to investigate the subject matter of the dispute.*
- 9.11 *Where there has been any change in the ownership of a Lot entered for sale with TATTERSALLS between the date of completion of the online sales entry form and the time at which the Lot is due to be put up for auction the Vendor shall forthwith notify TATTERSALLS of this fact in writing and of the amount of the sale price and use his best endeavours to ensure that the new owner(s) forthwith notify TATTERSALLS whether it is his wish to proceed with the sale of the Lot at the auction for which it is entered and, if so, to submit without delay to TATTERSALLS a properly completed online sales entry form.*
- 9.12 *The Vendor shall indemnify TATTERSALLS in respect of any loss suffered or costs, disbursements or expenses incurred bona fide by TATTERSALLS by reason of bringing or defending any proceedings (including but not limited to any adverse costs awarded against TATTERSALLS) or otherwise howsoever which arise whether directly or indirectly from any act or omission by the Vendor in connection with the sale of a Lot whether or not such act or omission be a breach of his/her contract with TATTERSALLS.*

Notices to Purchasers

Guidance for Purchasers

THESE PAGES, ENTITLED "GUIDANCE FOR PURCHASERS" ARE PRODUCED FOR THE BENEFIT OF ALL PROSPECTIVE ONLINE AUCTION PURCHASERS WHO ARE ADVISED TO READ THEM CAREFULLY AND IN FULL PRIOR TO PURCHASE.

1. Conditions of Sale

Before bidding, all prospective Purchasers should read carefully the Online Auction Conditions of Sale and Online Auction Terms which are available to view on the www.tattersallsonline.com website.

Please note that you may only use the Online Auction facility if you are making a bid for purposes which relate to your trade, business, craft or profession. It is not available for use by consumers.

2. Guide to Cataloguing

Before bidding, all prospective Purchasers should read carefully this section posted on the Tattersalls website with the Online Auction Conditions of Sale and the Online Auction Terms. Purchasers wishing to enquire about any catalogue details, should do so to a Tattersalls Online representative for more information.

3. Online Announcements (Condition of Sale 14)

All Lots are sold subject to any announcements, declarations, notices and updates that may be published online by Tattersalls regarding a Lot at the time of first publication of the Online Auction Sales Catalogue. It is the responsibility of all bidders to check for and read all such announcements, notices and updates prior to bidding on a Lot.

4. Inspection of Documentation

Purchasers can check the Health Documentation, Certificates and Flu Vaccinations status of Lots by means of the Lot documentation section of Tattersalls Online website. They can also use this section to view whether a Fillies' Examination Certificate has been lodged. All such information is displayed without attaching responsibility to Tattersalls or the Veterinary Surgeons concerned.

Prospective Purchasers of mares should view this section of the Tattersalls Online website to check passports for details of vaccinations against EHV-1 (Rhinopneumonitis).

Covering Certificate - Pregnancy Certificate - Fillies' Examination Certificate

Where in any case a certificate has not been lodged with Tattersalls, prospective Purchasers should make their own enquiries of the Vendor.

5. Export Certificates

Following the implementation of Anti-Doping Rules by the British Horseracing Authority (BHA), there are new requirements for horses that have been imported into Great Britain for training and racing. A horse's export certificate has to be lodged with the Stud Book of Great Britain and Ireland within 90 days of its arrival in Great Britain (the "General Stud Book"). Lots that do not have their export certificates lodged with the General Stud Book pre-Sale will be declared as such in the declarations section on the Tattersalls Online website. Further enquiries should be made to a Tattersalls Online representative for more information.

6. Repository

Tattersalls offers a voluntary repository in which vendors may place pre-sale x-rays, Video Endoscopies and other stipulated information. For further details please see the repository guidelines and repository rules which are published on the Tattersalls website.

7. Pre-Sale Inspection of Lots

Prospective Purchasers are advised to thoroughly inspect Lots and obtain veterinary advice prior to purchase. Contact and viewing location details of each Lot are available for each Lot on the Tattersalls Online website and inspections should be arranged by appointment only. Purchasers must ensure that Vendor approval is obtained before a veterinary inspection is made.

8. Conditions of Sale 14-19

Prospective Purchasers are particularly requested to read carefully the provisions of Conditions 14 -19 of Tattersalls Online Auction Conditions of Sale.

9. Description and Health / Returnable Lots (Conditions of Sale 10, 11 and 12)

Attention is drawn to Condition of Sale 10 entitled "Description and Health". Under Condition of Sale 12, no Lot is returnable other than in accordance with Conditions of Sale 10, 11 and 12. Prospective Purchasers should specifically note that there is no term implied in any sale that a Lot is of satisfactory quality or is fit for training or any particular purpose.

10. Lots offered for sale with a Pre-Sale Veterinary Certificate (subject to Re-Examination) see Condition of Sale 15.2)

Purchasers of any Lot sold with a Pre-Sale Veterinary Certificate may instruct a veterinary surgeon to conduct a re-examination on their behalf only in accordance with condition of sale 15.2 and the deadlines therein.

11. Wind Returns – Horses in Training, Yearlings, Two-Year-Olds and Stores

Purchasers are reminded that where Horses in Training are referred to the Wind Panel, they will be normally tested at the gallop on Newmarket Heath (see Conditions of Sale 10, 11 and 12). For all Lots returned to Tattersalls under Condition of Sale 10.8 (a) and 10.9 (a), a fee of £600 plus VAT will be charged to the losing party. This fee is to cover in part the expenses incurred in the testing of the Lot. Therefore, where a Lot so referred is adjudged to be non-returnable to the Vendor, the fee will be added to the Purchaser's account.

12. Anabolic Steroid and Bisphosphonate Testing, Nonsteroidal Anti-inflammatory Drug Testing, Corticosteroid Testing and Clenbuterol Testing (Conditions of Sale 24 & 29)

A Horse in Training (including Breeze Up Lots), a Horse out of Training, a Yearling (other than a Yearling sold prior to 1 July) or a Two-Year-Old can be tested post-sale for prohibited substances outlined in condition of sale 24. Purchasers are advised to note the deadlines therein including notification to Tattersalls by 5:00 p.m. on the first day after the day on which the Lot was sold that a blood sample is to be taken. The blood sample must then be taken by 5pm on the second day after the day on which the lot was sold by the purchaser's vet prior to the Lot departing from the vendor's premises.

Horses in Training (Breeze Up Lots) described as "Sold with a Pre-Sale blood sample (subject to testing)" have had a blood sample taken on the day the lot breezed and placed in storage. Purchasers can request that this sample be tested for Proscribed Drugs as referred to in Conditions of Sale 29, at a cost of £440 plus VAT. Purchasers are advised to note the deadlines therein including notification to Tattersalls by 5:00 p.m. on the first day after the day on which the Lot was sold that a blood sample is to be tested.

13. Piroplasmosis (Condition of Sale 25)

A Stallion, a Mare, Horse in Training, a Horse out of Training, a Yearling (other than a Yearling sold prior to 1 July) or a Two-Year-Old can be tested post-sale for Piroplasmosis as outlined in condition of sale 25. Purchasers are advised to note the deadlines therein including notification to Tattersalls by 5pm on the first day after the day on which the Lot was sold that a blood sample is to be taken. The blood sample must then be taken by 5:00 p.m. on the second day after the day on which the lot was sold by the purchaser's vet prior to the Lot departing from the vendor's premises.

14. Insurance (Conditions of 6.2 and 8)

Purchasers are reminded that from time the Lot is sold, or time of private purchase, horses are at their risk. Immediate insurance cover against mortality and theft is available subject to acceptance, and we strongly recommend that this is effected.

15. Keep and Removal of Horses After Sale (Conditions of Sale 5)

Purchasers must make arrangements to take away at their own expense every Lot purchased by them from the Vendor's premises before 5.00 p.m on the fourth day after the day on which the Lot was sold, provided that Tattersalls has given prior written consent.

In the event that the Lot has not been collected by the stipulated time the Purchaser shall pay on demand to the Vendor the reasonable expenses not exceeding £30 per day incurred by the Vendor of and in connection with the Lot for any day or part of a day the Lot remains on the Vendor's premises beyond the stipulated time.

16. Release of Horses

Before any Lot may be collected, a Pass Out must be obtained from the Tattersalls Accounts department, authorising the release of the Lot by the Vendor to the Purchaser. The vendor must not release the Lot to the Purchaser or his agent unless they have first produced to them a true and complete copy of the Pass-Out.

17. Identification of Horses

Purchasers are advised to check the description of their Lot in the passport (or a copy thereof) as soon as possible after purchase.

18. Documents

Documents will only be released either on the receipt of a written application or as a result of a personal application. Where documents are sent by post they are at the risk of the Purchaser.

19. Broodmares

19.1 Rhinopneumonitis (EHV-1)

The following notice is included at the request of the Thoroughbred Breeders' Association (TBA):
 Mares in late pregnancy which have been purchased on an online auction constitute a possible risk to the stud where the mare is sent, since from the fifth month of pregnancy onwards there is a possibility that abortion due to Rhinopneumonitis may occur. Attention is drawn to the recommendations from the TBA that mares from stud farms where Rhinopneumonitis/Virus Abortion has occurred during the previous season should be foaled in isolation. Details of vaccinations against Rhinopneumonitis can be found in the mare's passport and may be viewed in the documentation section of the Lot on the Tattersalls Online website.

19.2 Isolation of Broodmares

In accordance with TBA recommendations, all mares returning from Tattersalls Online Auctions should be isolated from in-foal mares.

20. Registrations to bid online

In order to bid on the online auction, you must go to www.tattersallsonline.com where you must register, if you have not done so previously. Once logged in you may then request to JOIN SALE, where you will be asked to complete your details. Our accounts team will confirm arrangements with you as soon as possible. Even if you have an account with Tattersalls, you must register, apply and receive bidding approval for each Tattersalls Online Auction. Registrations to bid must be made at least 24 hours prior to the original closing time of the online auction.

21. UK-based Lots Value Added Tax ('VAT')

21.1. Lots for Export outside Great Britain

Where Lots are purchased for immediate export outside Great Britain the purchase may be zero-rated for VAT purposes provided that Tattersalls are supplied with a satisfactory proof of export from Great Britain by the Purchaser or his shipping agent. Similar arrangements are available in certain circumstances and subject to agreement on a Lot by Lot basis with HM Customs and Excise where the Lot is not exported immediately. If there is likely to be any delay whatsoever in the exporting of a lot, the Purchaser is recommended to contact the Tattersalls Accounts department.

The Purchaser will be liable for import VAT in the country of arrival at the prevailing rate, however, if the Purchaser is VAT registered they may be able to use Postponed VAT Accounting to account for the VAT on their VAT return.

21.2. Lots remaining in Great Britain

VAT will be charged as indicated in the catalogue when published online. The VAT Registration Scheme for Racehorse Owners in the UK allows owners to reclaim VAT on purchases where the horse remains in the UK. The Scheme also allows owners to reclaim VAT on training fees etc., where the horse is trained in the UK. Racehorse owners are urged to take full advantage of this scheme.

Breeders who are VAT registered can recover VAT on all racing expenses. Anyone having any query on VAT is invited to contact a Tattersalls Accounts representative.

22. Irish-based Lots Value Added Tax (VAT)

22.1 Lots for Export outside the EU

Where Lots are purchased for immediate export outside the European Union ('EU') the purchase may be zero-rated for VAT purposes provided that Tattersalls are supplied with a satisfactory proof of export from the EU by the Purchaser or his shipping agent.

The Purchaser will be liable for import VAT in the country of arrival at the prevailing rate.

22.2 Lots to be sent to another EU Member State or Northern Ireland

Where Lots are purchased for despatch to another EU Member State or Northern Ireland the purchase may be zero-rated for VAT purposes provided the invoice is made out to a person registered for VAT in another Member State or Northern Ireland and the VAT number is lodged with Tattersalls and Tattersalls are supplied with a satisfactory proof of movement from the Republic of Ireland.

22.3 Lots Purchased by Irish Residents

From the 1st January 2019, the Reduced Rate of VAT (currently 13.5%) applies to the supply of live horses other than those intended for use in agricultural production.

The Livestock Rate (currently 4.8%) continues to apply to the supply of live horses normally intended for use in agricultural production. Accordingly, the Livestock Rate (currently 4.8%) only applies to those horses that are supplied to a farmer.

In practical terms, therefore, in order for the supply of a horse to qualify for the application of the Livestock Rate (currently 4.8%) a purchaser must provide a written declaration to the VAT

accountable supplier (Tattersalls Limited) that he or she is a farmer (as defined in section 2 of the VAT Consolidation Act 2010) with details of his or her name, address and PPS/VAT registration number. A copy of the required declaration is available from the Sales Accounts department.

If you need some further guidance in relation to VAT applicable to farmers purchasing live horses at auction, please see below links to the Irish Revenue website – <http://www.revenue.ie/en/tax/vat/leaflets/horses.html>

23. Payment for Purchases (Condition of Sale 5)

All Lots are sold for payment by cash, credit/debit card, or acceptable bankers draft (Condition 5.1). Please note Tattersalls are no longer able to accept € 500 notes. Ring prices are quoted in guineas. A guinea represents Sterling £1:05.

All invoices raised are in Sterling and all payments for purchases are due in Sterling. Prospective Purchasers may deposit funds with Tattersalls prior to a sale. If a Purchaser wishes to pay by any other method, arrangements must be agreed before bidding. Please complete a New Buyer Form and send this to Accounts at least 7 days before the sale. Please ask your bankers to forward a reference direct to Accounts as your application cannot be considered until this is received.

Please note all customers should contact the Tattersalls Accounts department prior to bidding in order to agree payment procedures.

Tattersalls' bankers are:
Lloyds Bank PLC,
Piccadilly Branch,
39 Piccadilly, London W1V 0AA
Sort Code: 30 00 08; Tattersalls Account No. 00575080;
IBAN number GB 64 LOYD 3000 0800 575080
BIC LOYDGB 21012 SWIFT CODE LOYDGB 2L

Overseas Purchasers funding their purchases from non-sterling sources may wish to consider covering forward their Sterling liabilities.

24. Purchasers Authorisation

This scheme is available for Purchasers who wish to appoint an agent to act for them. Forms can be obtained by personal application only to Accounts. The scheme is subject to:

- 24.1 The Authorisation together with a payment reference, both completed and signed by the Principal, being lodged with Tattersalls by way of application at least 7 days before the sale.
- 24.2 No Authorisation is effective unless it has been approved in writing by Tattersalls who reserve the right to withhold acceptance without giving any reason. An agent may not bid under this Authorisation until such written acceptance has been received.
- 24.3 Agents must notify Accounts of any purchases under an Authorisation immediately following purchase.

25. Private Sales

25.1 Contract

When Lots fail to sell in the ring, Private Sales may be registered with Tattersalls and will invoke the Conditions of Sale (save those highlighted on the Private Sale Agreement Form) unless otherwise agreed. Vendors and Purchasers wishing to register Private Sales with Tattersalls should contact the Accounts department. No statement, certificate, forecast or expression of opinion made by Tattersalls in respect of any Lot is or is deemed to be in any circumstances a representation, undertaking or

warranty by Tattersalls and Tattersalls shall in no circumstances become liable to any person in respect thereof.

25.2 Auction Races

Under the Orders of the British Horseracing Authority, Lots sold or bought-in at public auction under the hammer qualify for these races but Lots which do not reach their reserve do not qualify. The sale of a Lot privately (i.e. not under the hammer) does not qualify the Lot for Auction Races.

26. Integrity of Bloodstock Sales

Tattersalls regard the integrity of its Sales as a matter of the utmost importance. In that regard, the attention of Purchasers and Vendors is drawn to the Bloodstock Industry Code of Practice. If Tattersalls become aware of any circumstances giving rise to a breach of the Code, they will take such action as they consider appropriate to preserve the integrity of their sales and will report such matter to the appropriate authorities. In particular, Tattersalls will notify the BHA of any complaints received by them concerning alleged breaches of the Code. It is important to note that the Code of Practice is entirely separate from Tattersalls' Online Auction Conditions of Sale. Tattersalls' Online Auction Conditions of Sale shall continue to apply exclusively to all Lots offered for sale and sold at Tattersalls' Sales. For the avoidance of doubt, if there should be any conflict between the provisions of the Code of Practice and Tattersalls' Online Auction Conditions of Sale, Tattersalls' Online Auction Conditions of Sale shall take precedence.

27. Overseas Owners Premiums

A list of Lots in this catalogue which are qualifiable for Overseas Owners' Premiums can be viewed on request to a member of the Tattersalls Online representative. In all instances, any queries regarding Owners' Premiums should be directed to the Vendor of the Lot and to the appropriate Stud Book Authority to ensure that the Lot meets the criteria required to retain the Premiums.

28. Not In G.S.B.

Where a Lot is described as "Not in G.S.B." it is a non thoroughbred and is registered in the Non Thoroughbred Racing Register but not in the General Stud Book. A Lot registered in the Non Thoroughbred Racing Register is eligible to race under Rules in Great Britain and Ireland, but other racing jurisdictions may preclude non thoroughbreds from participation. Prospective purchasers are advised to make enquiries with the relevant racing jurisdictions before bidding on any Lots.

Credit/Debit Card purchases

Payment for horse purchases may be made by credit card, debit card or AMEX, subject to the card issuer's approval. Cards displaying VISA, MasterCard, Maestro or AMERICAN EXPRESS will normally be accepted. Please ask at the accounts desk if you have any other card.

If you intend to utilise this method of payment, please advise your credit/debit card provider of your intentions prior to your arrival at the Sales. This should reduce the time taken by the credit/debit card provider to authorise the transaction when it is processed. Alternatively, pre-authorisation can be obtained prior to making a purchase. For further information on this procedure, please speak to a Tattersalls representative at the Accounts desk.

From February 2006, in accordance with new UK banking requirements, all credit and debit card transactions will have to be authorised by the cardholder using their PIN number. Please ensure that you have memorised your PIN number.

It will be necessary for Tattersalls to take copies of the documentation provided and to retain the copies on file.

Customers are recommended to refer to the HM Government website (www.gov.uk/bringing-cash-into-uk) for the procedural requirements when carrying cash in and out of the United Kingdom.

Please note Tattersalls are no longer able to accept €500 notes. Tattersalls thank customers in advance for their co-operation and apologise for any inconvenience caused.

Permanent Import requirements are only relevant to those horses that remain in Great Britain (GB) and are intended for training and racing

Key requirements:

1. Export Certificate (all horses) must be filed with the General Stud Book within 90 days of arrival;
2. Whereabouts information must be filed within seven Business Days of the horse's arrival in GB, except where waived:
 - The horse has come from a country with an equivalent Testing policy* and
 - The horse was present there for 12 consecutive months immediately prior to importation, or;
 - The Permanent Import test is conducted at fall of the hammer.Any change in circumstances (such as change of location) must be updated as soon as possible.
3. Permanent Import test is required (except as waived above, point 2):
 - Testing may be conducted unannounced;
 - Sample is collected at the Responsible Person's expense;
 - Testing may be requested by the Purchaser at fall of the hammer, by signing to this effect on the form of Purchase Confirmation supplied by Tattersalls, where the list (available in the Main Sales Office) indicates the testing requirement has not yet been fulfilled.

To note:

- Broodmares, or other horses, permanently retired from racing are not subject to EADR requirements, provided the BHA is notified of the retirement via anti-doping@britishhorseracing.com;
- Tattersalls 'BHA Badged' Anabolic Steroid Test DOES NOT replace the requirement for a Permanent Import test (which includes other Prohibited at all times substances);
- If the Permanent Import test is required, and the Purchaser doesn't request this at fall of the hammer, they must comply with the requirements set out as above post-Sale;
- Purchasers should confirm if their intended purchase has complied with EADR requirements, by checking the list in the Main Sales Office for the status of export certificate and testing requirements;
- A guide to the BHA Equine Anti-Doping Rules is available for download from the BHA website (www.britishhorseracing.com);
- Failure to comply with the EADRs may result in disciplinary action being taken by the BHA, including the horse being prevented from running in Britain;
- If you have any questions about the EADRs please contact anti-doping@britishhorseracing.com.

Neither Tattersalls nor the BHA take any responsibility for a horse not being permitted to remain in GB to train and race where a Purchaser has not taken the necessary steps to ensure they comply with the BHA's EADR requirements.

*For the purpose of the Rules countries currently with equivalent testing policy are: France, Ireland, Germany, Sweden, Norway and Hong Kong.

The Bloodstock Industry Code of Practice

Since 2009, when the current Bloodstock Industry Code of Practice came into effect, the Bribery Act 2010 has been passed into law in the United Kingdom. The Bribery Act made bribery a criminal offence, punishable with up to 10 years' imprisonment. This is reflected in this new Code, which is designed to prevent serious malpractice in the bloodstock sales industry, including by banning: (a) bribery (whether described as "Luck Money" or not); (b) acting for both sides on a Sale without prior informed consent; and (c) the practice of collusive "bidding up". Such practices have no place in the bloodstock industry.

To assist with this stated objective and to encourage Participants to come forward with concerns over an alleged breach of the Code, the Bloodstock Industry Forum has established a facility for a Participant with such concerns to obtain free, initial and independent legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. In addition to breach of this Code, misconduct relating to Sales may lead to civil and criminal liability. For example, where a bribe is paid to an Agent, this may lead to civil liability to pay the Principal the amount of the bribe, on the part of either of (or both) the paying and receiving party, as well as to the commission of a criminal offence under the Bribery Act 2010 (applicable in the United Kingdom) or the Criminal Justice (Corruption Offences) Act 2018 (applicable in the Republic of Ireland).

This Code has been drawn up by and with the full support of all members of the Bloodstock Industry Forum namely: The British Horseracing Authority, the Irish Horseracing Regulatory Board, Horse Racing Ireland, the Irish Thoroughbred Breeders Association, the Breeze-Up Consignors Association, the Federation of Bloodstock Agents, the National Trainers Federation, the Racehorse Owners Association, the Thoroughbred Breeders Association, Goffs and Tattersalls.

This Code will be reviewed annually to ensure that it remains robust and fit for purpose.

THE NEW CODE: RULES

DEFINITIONS

Authority: means the Horseracing Authority where the sale or leasing of bloodstock, stallion shares and nominations, whether by private transaction or public auction, takes place.

Panel Lawyer: A lawyer appointed by the Bloodstock Industry Forum who shall owe his duties, including his duty of confidence, exclusively to the Participant and who shall carry out an initial investigation and provide initial legal advice limited to 15 hours of legal services into the alleged breach of the Code. Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a horse is stated to be the property of a partnership any partner may appoint one person to bid on their behalf) where and as permitted under the rules of the auction in question.

Induced Purchases at Public Auction:

(B) A Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.

(C) A vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.

RULE 8:

Assistance:

A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.

ENFORCEMENT AND SANCTION UNDER THE CODE OF PRACTICE

Any Participant with concerns over an alleged breach of the Code is encouraged to come forward and use the facility established by the Bloodstock Industry Forum to obtain free, independent and confidential initial legal advice from a Panel Lawyer as to any criminal, civil and regulatory remedies for breach of this Code. The Panel Lawyers owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by Bloodstock Industry Forum.

The British Horseracing Authority adopts and the Irish Horseracing Regulatory Board supports the Bloodstock Industry Forum's Code of Practice. Any person found by the BHA to be in breach of the Code whether bound by the Rules of Racing or not, may be banned in Britain from racecourses and other licensed premises and banned also from conducting business with licensed individuals. The IHRB will have due regard to a breach of the Code when exercising their powers over individuals licensed by them or who seek to be licensed by them. Additionally, Tattersalls and Goffs fully support the Bloodstock Industry Forum's Code of Practice. To give effect to its spirit and intent and to prevent those breaching the Code from participating in their sales, Tattersalls and Goffs have amended their terms and conditions of business to establish a clear right to exclude any person or entity from participating in their sales in both Britain and Ireland (whether as vendor, purchaser, agent or otherwise) where they or any person or entity acting on their behalf have been found guilty of a criminal offence appearing to them to involve a breach of the Code, or who has been found liable in High Court or similar civil proceedings for conduct appearing to them to involve a breach of the Code (whether such criminal or civil proceedings take place in the United Kingdom, the Republic Ireland or elsewhere) or who has been sanctioned by the British Horseracing Authority for breach of the Code.

EXPLANATORY NOTES AND EXAMPLES:

INTRODUCTION

The individual Rules are set out below with Explanatory Notes. These are intended to assist Participants of every type, from professional Agents, to trainers, to novice purchasers of bloodstock, to understand the meaning of the relevant Rule, giving practical examples of the type of conduct which will likely amount to a breach of the Code where appropriate.

In order to ensure that Participants are aware of the full significance and potential consequences of any improper practices, and so that the victims of such improper practices are aware of their potential remedies and rights arising from such improper actions, the Explanatory Notes also summarise at the end the potential civil or criminal consequences of such acts.

However, nothing in the Explanatory Notes should be taken as advice as to the remedies and rights of individuals as regards the civil law or criminal consequences of particular acts. Participants who have concerns over an alleged breach of the Code should take their own legal advice as to any criminal, civil and regulatory remedies and in the first instance are encouraged to take advantage of the facility established by the Bloodstock Industry Forum to obtain free initial and independent legal advice from a Panel Lawyer. The Panel Lawyer will owe their duties, including their duty of confidence, exclusively to the Participant and their fees for providing initial legal advice will be met by the Bloodstock Industry Forum. The intention of the Civil and Criminal section below is to point to potential further consequences of particular acts, which may also be breaches of this Code, so as to reinforce the purpose of the Code in preventing improper practices.

RULE 1:

Application of the Rules

- (A) This Code applies to all Sales within Britain and Ireland after 16 August 2021.**
(B) The Code is of particular application to Agents. However, the Code is not confined to Agents, but applies to all Participants at Sales.

EXPLANATORY NOTE:

The Rules apply regardless of whether the relevant **Participant** is a citizen of Britain or Ireland, or present in Britain or Ireland. The only relevant requirement is that the **Sale** (public or private) should take place within Britain or Ireland and after the 16th August 2021. For example, an individual resident outside and physically absent from Britain or Ireland at the time of the Sale will still be subject to this Code as regards a Sale if they are a Participant in that Sale.

Examples of those acting as Agents include: bloodstock agents, trainers and racing managers purchasing on behalf of clients, syndicate managers purchasing on behalf of a syndicate, an individual purchasing on behalf of a family member or friend. The issue is the capacity in which the person is acting on the specific Sale, not their title or customary role. A person normally acting as a bloodstock agent, will not be acting as an Agent when buying on their own account, but will be when buying for another person.

Although centrally concerned with abuses by those acting as Agents, the Code applies to **all** Participants. For example, Rule 3 makes it a breach of a code to **offer or receive** improper financial

The Bloodstock Industry Code of Practice *cont.*

advantage (colloquially, a bribe), so that both the party receiving the bribe (often a purchaser's Agent) **and** the party paying the bribe (often a vendor or their agent), will be in breach of the Code (and potentially liable to civil and criminal consequences).

RULE 2:

The General Duty: Participants shall act honestly and with integrity in relation to Sales.

EXPLANATORY NOTE:

This General Duty to act honestly and with integrity is an overall statement of the aims and purposes of the Code. There is no special meaning to the terms "honestly" and "with integrity", which are ordinary words. It should usually be obvious to any Participant whether a course of action is in compliance with the General Duty. If they have any doubts, good sense suggests that the Participant should not pursue the course of conduct in question, or only proceed having taken professional advice. The General Duty also permits disciplinary action as regards misconduct not foreseen and specifically catered for in specific Rules.

RULE 3:

Bribery, secret profits, and other payments:

- (A) A Participant shall not solicit nor receive any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (B) No Participant in a Sale shall offer or grant or provide any financial advantage as an inducement or reward for the improper performance of relevant business activities relating to a Sale.**
- (C) Agents shall not profit from their position as Agents without the Prior Informed Consent of their Principal provided always that, where it is not possible to obtain Prior Informed Consent in advance, consent shall be deemed to be prior if sought and obtained as soon as reasonably practicable.**

EXPLANATORY NOTE:

Bribery, particularly of Agents, is a central concern to which the Code is directed. Participants should be aware that it is not only the Agent, receiving a bribe or secret profit who is at serious fault: those offering or paying bribes are equally responsible.

Participants should be clear that there can generally be no legitimate reason for an Agent of the purchaser to be rewarded **in any way** by the vendor and parties related to the vendor, and that the Agent of the purchaser should generally only be rewarded by their Principal, the purchaser.

This is so whether or not the payments are described as "Luck Money". Participants should be aware that such terminology and historical practices do not in any way alter the fact that payments of undisclosed/improper inducements are not permitted.

Where any gift (even a modest one) is received by an Agent on an unsolicited basis, the Agent must still seek consent (and obtain it) as soon as reasonably practicable after receiving it, if they are properly to retain the gift. If, however, the Principal's consent is **not** forthcoming, the Agent cannot properly retain the gift and should return it.

The Bloodstock Industry Code of Practice *cont.*

Financial benefits need not be direct and/or of cash. Payments in kind suffice, a watch or other valuable item, for example. The benefit need not be direct, for example payments to the order of the Agent (to extinguish debts, and/or to family).

It is irrelevant whether or not the purchaser has suffered a loss (i.e. that they may have paid a fair price at public auction, for example). An attempted bribe, even if refused, and/or even if it had no effect on the receiving party, is still a bribe. (As explained below, the parties to a bribe, both bribing party and receiving party, may be liable to account to the other party, usually the purchasing Principal, for the amount of the bribe. Those assisting such activity may also be liable for any losses.)

Examples:

An Agent for the purchaser seeks and receives a payment or promise of a payment from the vendor of a horse in order to buy that horse, which is **not** disclosed to the Agent's principal. The Agent will have received a bribe and/or secret profit and be in breach of Rule 3A and 3C. The vendor will have bribed the Agent and be in breach of Rule 3B. The vendor and the Agent may both be liable to civil and criminal consequences. This applies where the Agent is receiving a share or cut relating to collusive bidding-up where this has been pre-agreed: see Rule 7 and the example there.

A trainer acting for a purchaser, whether an existing client or not, as regards a sale, is in the same position as any other Agent. However, the fact that they may profit from the sale indirectly through the payment of fees when the horse is trained by them after purchase is not an illegitimate profit, since it will be known to the purchaser.

A trainer advising a purchaser and accepting money to influence the purchase will be taking a bribe. The party offering and the trainer will both be in breach.

Where a trainer or racing or syndicate manager appointed by a purchaser seeks to share in or does share in any commission otherwise payable by the purchaser to his bloodstock agent, then the trainer, racing or syndicate manager must obtain the Prior Informed Consent of their Principal to any such arrangement.

An Agent seeks "Luck Money" from the vendor as regards a sale, whether before or after sale, which is **not** disclosed to the Agent's Principal. This will be a breach by the Agent in seeking such a reward and there may be civil and criminal consequences for both. Paying it would put the vendor in breach and there may be civil and criminal consequences. The fact that the term "Luck Money" is used makes no difference.

RULE 4:

Authority and information provision

- (A) An Agent shall act in accordance with the instructions of their Principal and within their authority.**
- (B) An Agent shall inform their Principal promptly and in full of any offers received for their Principal's horse(s).**
- (C) An Agent for reward shall make and keep correct records and accounts of their dealings on behalf of their Principals and shall produce on request to the Principal (or other proper person appointed by the Principal) all books, records, and documents (electronic or hard copy, including emails, texts and other social media communications) under their control relating to the affairs of their Principal.**

The Bloodstock Industry Code of Practice *cont.*

EXPLANATORY NOTE:

Agents are obliged to act within the scope of their authority. In particular, they should follow any instructions of their Principal. Agents also have a duty to report to their Principal on matters of relevance, offers to purchase being of particularly obvious significance.

Agents have a general legal duty to keep proper records of their dealings on behalf of their Principals and, if requested, to produce such records to the Principal or, for example, their lawyers, all documents relating to the affairs of the Principal. Such is, in any event, obvious good practice.

RULE 5:

Agents shall act in the best interests of their Principal in relation to Sales.

EXPLANATORY NOTE:

Agents acting for others (Principals) at Sales are subject to certain general principles of law, sometimes referred to as "fiduciary duties", of which this is a fundamental one. This is sometimes considered part of a duty of "loyalty". Some of the other Rules below as regards Agents are aspects of this fundamental principle.

This Rule applies whatever the type of agency. It makes no difference if the Agent is retained on a professional basis, or acting for free, is acting on a long-term basis, or on a one-off basis. There need be no written contract, or express agreement, that such a term applies, or even a contract.

Examples:

Agents will normally have little difficulty in knowing whether or not they are acting in the interests of their Principal. For example:

It is obviously not in the interests of a purchasing Principal for the Agent to cause the Principal to buy a horse for more than it is truly worth.

It is not acting in the best interests of the Principal for an Agent to spread information against the Principal's interest.

It is not acting in the best interests of the Principal for an Agent only to view horses or to recommend horses to their Principal because of some collateral advantage to the Agent (such as a bribe).

It is not in the best interests of the Principal for the Agent to disclose their Principal's budget for a purchase to a vendor with a view to manipulating the price of a sale, or for reward.

RULE 6:

Agents shall not put themselves or be in a position where their personal interests conflict or may conflict with those of their Principal, without Prior Informed Consent. Such a conflict arises, amongst other things, in acting for more than one party to a Sale.

EXPLANATORY NOTE:

The Agent cannot be in a position where their own interests do, or **may**, conflict with those of their Principal, whether or not the duties actually conflict.

The Bloodstock Industry Code of Practice *cont.*

An Agent cannot act for both the buyer and seller in a Sale unless (both the) Principals (but particularly the purchaser) are fully aware of, and consent to, the fact that the Agent is acting for both parties. Purchasing Principals in general would have no reason to approve such a conflict if known.

An Agent cannot act for more than one purchasing principal as regards the same horse without their being a conflict, such that they need the Prior Informed Consent of **each** principal to act for them on a particular sale (or to any alternative arrangements).

It does not matter that the Agent is not, in fact influenced by the conflict.

It does not matter that the Principal suffers no loss as a result of the Agent's conflict.

The potential conflict may extend to indirect and/non-financial conflicts, for example where the vendor is a close relative of the purchaser's Agent.

Prior Informed Consent is referred to in the Definitions Section. Agents should disclose any circumstance material to the consideration of whether or not to give consent, and the Principal should be made fully aware of the nature of the conflict or potential conflict. The consent needs to be given **prior** to the purchase. Good sense suggests that written evidence of Prior Informed Consent to significant conflicts should be obtained.

EXAMPLES:

An Agent acting for a purchaser is also acting as Agent for the vendor, without disclosing this to the purchaser. The Agent is in a position of conflict and in breach of this rule and there may be civil and criminal consequences.

An Agent has a small share in a syndicate owning a horse, which their Principal wishes to purchase. The Agent must obtain the Prior Informed Consent of the purchaser to be able to act on the sale. This is so regardless of whether the Agent is in any way affected by the small interest, and would have acted in exactly the same way anyway. The concern is that the Agent **may** be more likely to influence the Principal to buy that horse, perhaps at a higher price. Nor is it an answer that the Principal did not actually overpay (for example that the purchase was via public auction).

A trainer hopes to train a horse for the purchasing Principal after purchase and acts as Agent for the purchase of the horse. This normally should present no difficulty, since the interests do not necessarily conflict and the Principal is well aware that the trainer is a trainer and might hope to train the horse. However, if the trainer causes the purchaser to overpay so as to increase his fees, or for other financial benefit, they have acted for their own interests against those of the Principal (see Rule 5).

RULE 7

Market Abuse at Auction

(A) Collusive Bidding Up:

Participants shall not enter into any agreement, understanding or arrangement with any other person or entity with the intention of directly or indirectly increasing the price of a horse in a public Sale, save that a vendor is entitled to place a reserve and may appoint one person to bid on their own behalf (or where a horse is stated to be the property of a

The Bloodstock Industry Code of Practice *cont.*

partnership any partner may appoint one person to bid on their own behalf) where and as permitted under the rules of the auction in question.

Induced Purchases at Public Auction:

(B) A Participant shall not, prior to a horse's sale at public auction, either directly or indirectly solicit, demand or receive any financial advantage from the vendor as an inducement or reward for bidding on or buying the horse.

(C) A vendor shall not, prior to their horse's sale at public auction, either directly or indirectly offer, grant or provide any financial advantage as an inducement or reward for bidding on or buying their horse, unless the same advantage is available to the whole market.

EXPLANATORY NOTES:

Rule A: Collusive Bidding Up, i.e. the collusive making of bids to increase the price of horse in a public auction, is a serious abuse of the market. This is so regardless of whether or not the collusion also involves the payment of a bribe.

Rules B and C: address market abuse through inducements required by/offered to those intending to purchase horses at public auction. Such "inducements", in particular the payment of so called "Luck Money", are open to abuse and create an un-level playing field at public auction.

There need be no formal agreement: any arrangement or understanding will suffice. A promise to pay is sufficient. An indirect financial advantage is sufficient, for example an understanding to return the favour at a later date.

Examples: Collusive Bidding-Up

A vendor reaches an understanding with more than one other person that the others should bid for the vendor's horse in a public auction in order to increase the price, without any intention to buy. All parties to this understanding are in breach of this Rule.

As for the above example, but this involves the Agent of a purchaser. The Agent tells the vendor the Principal's budget, the parties bid up the horse to that level or close to it. The parties split the proceeds, perhaps the price above the reserve. All parties are in breach of this Rule. They have also breached Rule 3 as to bribery and there may be civil and criminal consequences.

Examples: Induced purchases at Public Auction (Rules 7 B and 7 C)

Prior to an auction sale, Purchaser A agrees with a vendor that the purchaser will bid on the vendor's horse if the vendor agrees to pay Purchaser A a percentage of the sale price if Purchaser A buys the horse. The effect is to give the Buyer Purchaser A a subsidy in bidding on the horse (and a percentage reduction in price), unknown to the market. Competing Purchaser B, not party to such an agreement and not knowing of it, may lose the purchase as a result of being outbid in light of the subsidy or may have to pay more to buy the horse than they would otherwise have paid. In short, there is no level playing field. The same is unaffected by describing the payment as "luck money".

The Bloodstock Industry Code of Practice *cont.*

The same scenario as above, but Purchaser A, or an agent acting for Purchaser A, instead of seeking a percentage payment for Purchaser A, agrees with the vendor before the Sale at Auction that, if Purchaser A purchases, the vendor will pay Purchaser A's agent's or other fees. The effect is the same: Purchaser A has an unfair advantage over other purchasers who do not have such an arrangement.

A vendor shall not offer an inducement to purchase their horse unless the same inducement is offered to the whole market in which event the vendor must take all reasonable steps to make the inducement (for example, a discount on the price) available to the whole market prior to the sale.

For the avoidance of doubt an agreement made between vendor and prospective purchaser prior to a horse's sale at public auction whereby the vendor agrees to retain a percentage ownership interest in the horse in the event that the horse is purchased by that prospective purchaser, such that the purchase price payable by the purchaser is reduced by the commensurate percentage, is not considered to be and shall not be a breach of Rules 7(B) and 7(C).

RULE 8:

Assistance:

A Participant assisting another in a course of conduct, knowing that the course of conduct is breaching or likely to breach any Rule of this Code or deliberately closing their eyes to that possibility, shall be treated as if they too acted in breach of that rule.

EXPLANATORY NOTES:

Assisting a breach is unacceptable conduct, like aiding and abetting in the criminal context.

CIVIL LIABILITIES AND CRIMINAL OFFENCES ARISING FROM MISCONDUCT

Civil Liabilities

Participants should be aware of the potential financial consequences of misconduct of the type against which this Code is directed. In simple terms, Agents receiving bribes, Luck Money or rewards beyond what their Principal has agreed to pay them, may well be liable to pay over that money to their Principal. Those making the improper payments may also be liable for the amount of the payment. In both cases, this is regardless of whether the Principal can show they have suffered any loss.

The following example addresses the example of bribery of an Agent and explains the potential civil liabilities. The example assumes the issues can be proved to the relevant standards, such as dishonesty, where required.

An Agent, with the assistance of a Trainer who introduces the parties and attends the meetings, seeks and obtains a bribe from a Vendor of a horse to purchase the horse on behalf of the Principal at an inflated price.

The Agent will be liable for the Principal's losses as regards the purchase, including any over-value.

The Agent will be liable to account to (i.e. pay, in simple terms) the Principal the amount of the bribe, regardless of whether or not the Principal can prove a loss.

The Trainer will be liable for dishonest assistance and so liable to compensate the Principal for any losses, jointly with the Agent. If they have received part of the bribe or the proceeds of it, or other financial benefit, they may be liable to account for this also (whether or not the Principal can show a loss).

The Vendor will be liable for losses suffered by the Principal. Alternatively, the Vendor will be liable **for the amount of the bribe in question**, whether or not the Principal has suffered any loss. The payment of a bribe will likely also permit the relevant contract to be unwound, if a private sale.

The Bloodstock Industry Code of Practice *cont.*

It is **not** necessary to prove against the Vendor any dishonesty, intent to corrupt or actual corruption of the Agent. The Vendor may also be liable for the amount of the bribe even if this was only promised, but not paid.

Third parties knowingly receiving money improperly paid in breach of duty may be liable to the Principal in the amount received, e.g. if the Agent passed some of the bribe money to an employee. Those dealing with monies which are the proceeds of crime, which would include a bribe falling within the Bribery Act, see below, as the example might well, would also be potentially committing offences under the Proceeds of Crime Act: see below.

Criminal Offences

The following are potential criminal offences which may be committed as regards the types of misconduct against which this Code is directed.

A. England & Wales⁵

Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor, it may be a criminal offence under the Fraud Act 2006 s. 1(2) if he fails to disclose the gain to the principal or abuses his position acting for the principal and, at the relevant time, is dishonest.
2. A person may be guilty of a substantive offence of fraud where he acts in joint enterprise with another; or of conspiracy to commit fraud under the Criminal Law Act 1977; or of the common law offence of conspiracy to defraud where he has conspired with another.

Collusive Bidding-Up

3. If an agent and or a vendor rigs the bidding process by engaging other individuals to enter bids in order to push up the price that the purchaser will ultimately pay, they will have acted dishonestly and in order to make a gain - the vendor by a higher purchase price and the agent by a higher percentage commission. All individuals involved in this agreement may be guilty of the common law offence of conspiracy to defraud. They may also have committed offences under fair trading legislation.

Bribery Offences

4. Where the agent is paid a secret commission it may be an offence under the Fraud Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Bribery Act 2010.
 - i. It is an offence under s.1 of the Bribery Act 2010 for a person to offer, promise or give a financial advantage to another person intending that it will induce the person to perform improperly a relevant function or activity or reward the person for improper performance.
 - ii. It is an offence under s.2 of the Bribery Act 2010 for a person to request, agree to receive or accept a financial advantage from another person and intend that, in consequence, a relevant function or activity should be performed improperly whether by himself or another person.

⁵This section contains a statement of the law of England & Wales. Participants should take appropriate advice as to the law in other jurisdictions within the UK.

The Bloodstock Industry Code of Practice *cont.*

Money Laundering Offences

5. There are three substantive money laundering offences under sections 327, 328 and 329 of the Proceeds of Crime Act 2002 relating, in general terms, to the acquisition, retention, use or control of criminal property. Property is criminal if it constitutes or represents a person's benefit from criminal conduct and the person knows or suspects that it constitutes or represents such a benefit.

Tax Evasion Offences

6. Where a person seeks to deprive the revenue of money to which it is entitled, there are a number of offences under which he can be charged. It may be a fraud by misrepresentation, fraudulent evasion of income tax or, in the most serious cases, a charge under the common law of cheating the public revenue. There are additional offences which may be committed by a company or sole trader.

Criminal Penalties - England & Wales

The following summarises the penalties for the offences set out above:

The maximum sentence for the offences of bribery, fraud and conspiracy to defraud is 10 years imprisonment. The maximum sentence for money laundering is 14 years imprisonment and, for fraudulent evasion of income tax, 7 years. The maximum sentence for a cheat on the public revenue is life imprisonment (although the range in the Sentencing Guidelines spans 3 – 17 years imprisonment). The maximum sentence for a conspiracy under section 1 of the Criminal Law Act 1977 will be the same as for the substantive offence.

On conviction, a person will be liable to confiscation proceedings under part 2 of the Proceeds of Crime Act 2002. These proceedings may result in the court depriving the person of the benefit they have gained from the criminal conduct. Failure to pay a confiscation order can result in an additional term of imprisonment.

B. Republic of Ireland⁶

Fraud Offences

1. Where an agent seeks to make a gain from either the purchaser or the vendor then he or she may be guilty of the offence of making a gain or causing a loss by deception under section 6(1) of the Criminal Justice (Theft and Fraud Offences) Act 2001 (the **"2001 Act"**) if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception induces another to do or refrain from doing an act.
2. The 2001 Act also contains an offence of obtaining services by deception under section 7, whereby, a person is guilty of an offence if a person dishonestly, with the intention of making a gain for himself or herself or another, or of causing loss to another, by any deception obtains services from another. A person obtains services from another where the other is induced to confer a benefit on some person by doing some act, or causing or permitting some act to be done, on the understanding that the benefit has been or will be paid for.

⁶This section contains a statement of the law of the Republic of Ireland.

The Bloodstock Industry Code of Practice *cont.*

Bribery/Corruption Offences

Where the agent is paid a secret commission it may be an offence under the 2001 Act as set out above or, if it is part of an agreement whereby the agent will improperly perform his duties to the purchaser in return for profit, it may be an offence under the Criminal Justice (Corruption Offences) Act 2018 (the **"2018 Act"**).

3. Section 5 of the 2018 Act provides for offences of active and passive corruption which are similar to the bribery offences in the UK Bribery Act 2010. Under section 5(1), a person who either directly or indirectly by himself or herself or with another person (a) corruptly offers, or (b) corruptly gives or agrees to give, a gift, consideration or advantage to a person as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business shall be guilty of an offence. "Corruptly" is defined in the 2018 Act as "(a) by means of making a false or misleading statement, (b) by means of withholding, concealing, altering or destroying a document or other information, or (c) by other means".
4. Section 5(2) of the 2018 Act then provides for an offence whereby a person who, either directly or indirectly, by himself or herself or with another person corruptly requests, accepts or obtains, or agrees to accept, for himself or herself or for any other person, a gift, consideration or advantage as an inducement to, or reward for, or otherwise on account of, any person doing an act in relation to his or her office, employment, position or business.

Money Laundering Offences

5. The Criminal Justice (Money Laundering and Terrorist Financing) Act 2010 (the **"2010 Act"**) includes an offence under section 7 of money laundering occurring within Ireland. A person commits this offence if the person engages in any of the following acts in relation to property that is the proceeds of criminal conduct: (i) concealing or disguising the true nature, source, location, disposition, movement or ownership of the property, or any rights relating to the property; (ii) converting, transferring, handling, acquiring, possessing or using the property; (iii) removing the property from, or bringing the property into, Ireland.

The "proceeds of criminal conduct" is defined as any property that is derived from or obtained through criminal conduct, whether directly or indirectly, or in whole or in part, and whether that criminal conduct occurs before, on or after the commencement of the relevant part of the 2010 Act.
